THOUGHTS

for the new year

- 1 If you don't pass your values onto your kids, someone else will.
- 2 You'd think we'd learn something from watching a hamster run around on its wheel.
- 3 Practice doesn't make perfect if you're doing it wrong.
- 4 Paradise is not a place; it's a state of mind.
- 5 Fun shouldn't be confused with happiness.
- 6 A homeless person wasn't at one time.
- 7 If work isn't fun, you're not playing on the right team.
- 8 Trying to be excellent at everything leads to mediocrity.
- 9 Some people don't communicate. They just take turns talking.
- 10 Everyone was put on this earth for a good reason...what's yours?
- 11 When it comes to charity, some people stop at nothing.
- 12 Trust takes a long time to develop, but can be destroyed in seconds.
- 13 Anger is a loaded weapon...be careful where you point it.
- 14 Lessons in life will be repeated until they are learned.
- 15 Marrying for money is a high price to pay.
- 16 A great start doesn't always guarantee a great finish.
- 17 It's better to get called out swinging than called out on strikes.
- 18 Just because it says "URGENT" doesn't necessarily mean that it's important.
- 19 People often count their pennies yet squander their dollars.
- 20 Half a sandwich shared with a hungry person is more nourishing than the whole.
- 21 Helping people too much only makes them helpless.
- 22 Those who serve arrogance as their main course will eat humble pie for dessert.
- 23 Always give 110%. It's the extra 10% that everyone remembers.
- 24 We teach children to color inside the lines, and then expect adults to think outside the box.
- 25 Live every day as if it were your last. One day it will be.
