

# THERE'S ALWAYS hope

Hope opens your eyes and your heart to possibilities.

Hope helps you believe *you can*  
even when others think *you can't*.

Hope has a way of saying, “Get up and go”  
when everything else is saying, “Stop and say no.”

Hope helps you find yourself  
when you think you've lost your way.

Hope encourages you to reach for the stars  
when the prize feels light-years away.

Hope motivates you to push right through  
when difficulties give you every reason to pause.

Hope inspires you to show some faith  
when problems feel like they're too big to handle.

Hope tells you you're one step closer  
even when you feel miles apart.

Hope tells you that you can still win  
even when you feel like all is lost.

Hope has a way of saying that even a bad start  
can still have a happy ending.

**There's always hope!**
